## **HOD Message**

I am happy to present the welcome message for our newsletter which provides glimpses of the cumulative efforts of the Department of Civil Engineering guided by the Honorable Management and Director and supported by the administration.

I am thankful to all Civil Departmental staff and students for their contribution to development activities related to Civil Engineering department and look forward for future developments.

### **VISION**

- To make rural students technically fulfilled and ethically stronger to build new society.

### **MISSION**

- To develop technical education in students to face future challenges.
- To give quality education of course to go through higher education opportunities.
- To promote industry- institute interactions to get connected with employment needs and entrepreneurship challenges.
- To inculcate the sense of social responsibilities in students
